Delivery Contract

Once you have picked a puppy, placed him/her on hold with a deposit, and paid for your puppy in full, you are ready for delivery/pick-up.

1. Your puppy will be ready to go at 6 weeks of age UNLESS other arrangements are made.

2. The money must be paid in full before you receive your new puppy. (this can be done several ways):

***Contact us and use our pay pal account

***Contact us and set up a wire transaction through western union

***Contact us and mail us a check or money order, this will take some time and you will not be able to receive the puppy until money has cleared

***The puppy may be picked up in person and payment can be made IN CASH at this time.

3.If you have picked a puppy, paid your deposit, and paid the full amount owed for your puppy, we want to deliver as soon as possible, please contact us with these arrangements as soon as your money has been sent. we are willing to hold a puppy for up to TWO weeks after money has been paid AND CLEARED. however we can't hang on to your new pet ANY longer unless PUPPY is not old enough to leave). ONCE TWO WEEKS HAVE PASTED your puppy will go back up on the site to be sold. if this happens we will not refund your money.

***DEPOSITS ARE NON-REFUNDABLE. THE DEPOSIT AMOUNT WILL BE DEDUCTED FROM THE TOTAL PRICE OF YOUR PUPPY. SHOULD A PUPPY DIE THAT YOU HAVE PAID A DEPOSIT ON WE WILL APPLY THE DEPOSIT AMOUNT TOWARDS ANOTHER PUPPY.

We do agree to the terms and conditions stated above:
